### Most Memorable Experiences:

One of the most memorable experiences I have had this year was hearing the Student to Leadership Development Program participants speak about their experience at the House of Delegates meeting. Hearing how accepted and welcome the students felt was so wonderful. The SLDP participants are so important to the future of the profession and for them to feel so accepted and welcome speaks highly of all involved.

### Closing Remarks:

This has been a wonderful year and I am very thankful for my fellow Board members and the staff of ASRT. Thank you to all the members for allowing me to represent this wonderful organization and the profession I love.
