Most Memorable Experiences:

It has been an amazing experience working with the ASRT Board of Directors and staff. They are truly focused on the advancement of the medical imaging and radiation therapy profession. Their passion to serve the ASRT members is contagious.

I am so proud of our members, and it was such an honor to visit the Illinois, North Dakota and Utah societies. Spending time with so many remarkable medical imaging and radiation therapy professionals is a highlight of my tenure on the Board.

Closing Remarks:
