### **Most Memorable Experiences:**

My most memorable experiences this year revolve around the Student to Leadership Development Program participants at the 2022 ASRT Annual Governance and House of Delegates Meeting. I was totally inspired by their insight and energy and their enthusiasm for the profession filled my heart with so much joy. I can't wait to see what the 2023 SLDP participants bring to the organization.

**Closing Remarks:**

I want to thank all of my colleagues at the University of Cincinnati Blue Ash College for their support. Without it, I would not have been able to be part of the Board of Directors. On a personal note, I want to thank my husband, Doug, for all of his love and support as I reach for my dreams. He is the best husband and dog dad that anyone could ask for!
