Most Memorable Experiences:

The highlight of my term was being able to see the Society continue its work flawlessly as Dr. Pergola began her career as the new CEO. Her leadership has been extraordinary and will be instrumental as the Society continues working to achieve our mission and continue serving our members. Additionally, it has been a pleasure to provide virtual presentations to several affiliate societies this year.

Closing Remarks:

I can't say *thank you* enough for all the delegates who re-elected me to serve another term as Vice Speaker of the House for the year 2022-2023. I would like to extend immense gratitude to Speaker of the House Dan DeMaio for all his guidance during the past two years. He has provided me with unending advice, which will be applied to my future leadership roles. Another *thank you* to all the volunteers who worked on the House committees. Their hard work is being presented during the ASRT Annual Governance and House of Delegates Meeting and without each of the amazing volunteers, the House could not function as efficiently and effectively as it does. Next, a much deserved *thank you* to the ASRT staff who work tirelessly to keep everything organized and running smoothly. Lastly, to the ASRT Board of Directors, I have enjoyed working with each of you and have continued to learn so much about not only our profession but myself along the way.
